

The Lord Is My Strength And My Song (Psalm 118:14)

Don Moen

The Lord is my strength and my song
He has become my salvation
Under the shadow of His wings I belong
I will give thanks to the Lord

The Lord is my sword and my shield
He is my light and my glory
All of creation will bow down and yield

Off'rings of thanks to the Lord
In my trouble I cried to the Lord
He saw my distress and He saved me
I will sing praises to You O my God
for You are my song
