## **There's Glory All Around**

## Don Moen

How lovely is Your dwelling place How beautiful Your throne Amazing love shines from Your face and there's Glory all around There's Glory all around

Your temple's filled with majesty
In splendor You're adored
Your presence makes the blind to see
For there's Glory all around
There's Glory all around

Son of God find in us Your home May our hearts become Your throne Build in us a House of living stones

Where there's Glory all around there's Glory all around

How lovely is Your dwelling place How beautiful Your throne Amazing love shines from Your face and there's Glory all around There's Glory all around

There's Glory all around There's Glory all around There's Glory all around There's Glory all around There's Glory all around There's Glory all around
