

# You Will Always Be

Don Moen

God of everlasting wonder  
You hold everything together  
You have been and  
You will always be

Maker of heaven and earth  
Nothing could contain your splendor  
You have been and  
You will always be

So I will never be afraid  
For You are with me  
I'll trust in You  
For all my days

All my hope is in You  
All my strength is in You  
On the mountain, in the valley  
From the darkest depths into the sea  
You're sovereign, Lord  
And you will always be

In your arms, You hold forever  
Our present, and our past and future  
You have been and  
You will always be

So I will never be afraid  
For You are with me  
I'll trust in You  
For all my days

All my hope is in You  
All my strength is in You  
On the mountain, in the valley  
From the darkest depths into the sea  
You're sovereign, Lord  
And You will always be  
Yes, You will  
You will always be  
Oh, yeah

On the mountain, in the valley  
From the darkest depths into the sea  
You're sovereign, Lord  
And You will always be  
Oh, yes, You will

You have walked this road before me  
You have seen it all and shown me  
You have been and  
You will always be

If everything I stand on ceases  
I'll fall into your arms, Lord Jesus  
You are there  
And You will always be

Yes, You will

All my hope is in You  
All my strength is in You, Jesus  
On the mountain, in the valley  
From the darkest depths into the sea  
On the mountain, in the valley  
From the darkest depths into the sea  
On the mountain, in the valley  
From the darkest depths into the sea

You're sovereign, Lord  
You're sovereign, Lord  
And You will always be  
Yes, You will  
Yes, You will

Oh, You're sovereign, Lord  
And You will always be
