

# You Will Be My Song

Don Moen

You know my needs  
All that's unspoken  
You hold the pieces  
Of all that's been broken

Even when a melody won't come  
Even when my words are not enough

You will be my song  
You will be my praise  
You will be my voice  
When I'm lost for words to say  
You will be my strength  
You will lift me up  
You will be my portion  
And my everlasting love  
You will be my song

Before I call  
I know You'll hear me  
When hope is gone  
Still You are near me

Even when the answer is delayed  
Even through the darkness I will say

You will be my song  
You will be my praise  
You will be my voice  
When I'm lost for words to say  
You will be my strength  
You will lift me up  
You will be my portion  
And my everlasting love  
You will be my song

Oh  
Oh  
Oh  
Oh

Even when I feel like I'm alone  
I know You'll never leave me on my own

You will be my song  
You will be my praise  
You will be my voice  
When I'm lost for words to say  
You will be my strength  
You will lift me up  
You will be my portion  
And my everlasting love

You will be my song  
You will be my praise  
You will be my voice  
When I'm lost for words to say

You will be my strength  
You will lift me up  
You will be my portion  
And my everlasting love  
You will be my song
