

# At The Top

Don Q

Yung Lan on the track  
Yuh, Don, uh

I told all my hoes meet me at the spot, yeah (At the spot)  
Pussy nigga come and me at the top (Top)  
20 bands for a kilo nigga  
They know I'ma stoner  
I burn all my lungs 'til I need a donor ('Til I need a donor)

House out at the lakes, I'm sippin' Corona, might sell wit' the owner  
(Might sell wit' the owner)  
We discussin' percentages (Percentages)  
Makin' an investment and open a couple of businesses (Businesses)  
Don't tell me it can't be done if we never attempted it nigga (Yeah)  
Shots fired, nigga duck (Duck)  
Homicide, pick 'em up (Pick 'em up)  
Drive out, we gon' pay a fee to come and hot-  
wire a nigga truck (Yeah)  
You better off tryna skydive off a high rise, nigga jump  
Put a nigga on my nine, give a side eye if you want, uh (Want)  
You cannot win if you have [?], yeah (Have [?])  
They let me know when I had less (When I had less)  
Except the chain and the watch and the smile and the address (And the  
address)  
I'ma chemistry, I got invented as a lab test (A lab test)  
Before I cross 'em had to get 'em off me  
Had to hit the nigga wit' the jab step (Jab, jab)  
She wanted ten, I got half left  
I don't gangbang, I don't flag rep (I don't flag rep)  
The [?] sayin' that I'm underrated  
Yeah I'm just a starter they ain't draft yet  
Stop the questions 'bout who rap best (Rap best)  
I'm easily showin' 'em vividly (Vividly)  
From the flow and delivery (Yeah)  
Niggas playin' foul and I know it's intentionally  
Flow is [?]

I told all my hoes meet me at the spot, yeah (At the spot)  
Uh, yeah, yeah  
(Everything on me, misson party full of thots)  
Pussy nigga come and me at the top (At the top, yeah)  
(Flooded out AP and some watch, and my watch)  
Yeah, yeah, uh  
They know I'ma stoner  
I burn all my lungs 'til I need a donor ('Til I need a donor)

Yeah, yeah, uh  
They know I'ma stoner  
I burn all my lungs 'til I need a donor ('Til I need a donor, yeah)  
Long as she bringin' another over then I'ma come over  
Yeah (Yeah)
