

Rap Memorial

Don Q

Ness on the beat...

Yea

Tryna show these niggas how we really get busy

Yea

Don

Uh

Start tellin' me somethin' I don't know for once (I don't know for once)

Like how may rappers will make alive it if I go on a hunt (how may rappers)

Like how may niggas you think will survive if I go in the trunk (who will survive)

Like how many packs I can move if rap go slow for a month

This is an approacher ('proacher)

Streets needa spokesman (spokesman)

I do not need this promotion the traps stay jumpin' we keep it in motion (bitch)

I'm way to cool to party with niggas you know its a sea if you post up

I'm way to cool to argue with niggas [?] you'll ever see some commotion (nah)

You know it can be a explosion (boom)

So tell 'em to stay outta the paint (outta the paint)

Heavy deposits they call me electric slide in and outta the bank (yea)

Let's keep it rational, how you gon' tell me these niggas compatible (how you gon' tell me that)

I went from local to national (local to national)

Louie loafers keep it casual (casual)

Or I can switch it and go to the Christians (Christians)

That's my only decision (nah)

Fendi or the Ralph Simmons whenever I'm drippin' you know its expensive (what else?)

Before I walk in the entrance have all my money in total with interest (what else?)

You plannin' on shortin' me just know we came with the 40' and know we ain't friskin' nigga (yea)

Yeah

I'm a legend anyway (legend anyway)

Before I eat my breakfast I count my blessin's then I pray (then I pray)

I know niggas on parole that tote them weapons anyway (tote them weapons)

When you doin' dirt you know karma can catch up any day

Yea, yeah

Carry dope you can stamp (stamp that)

I look like I'm fresh off some saran wrap (saran wrap)

In the shade where I lamp at

You know the sea suede and the lamp black (yea)

She gon misbehave off Xanax (what)

Yeah she poppin' them frequently (frequently)

I move with the [?] (why nigga?)

Why cause shit ain't been endin' so peacefully

I'm givin' rappers memorials ('morials)

I'm givin' trappers tutorials ('torials)

You know my story historical ('storical)

Thought I can teach you the oracle (the oracle)

I got a habit for high fashion (high fashion)

When times affordable (affordable)

We don't like leavin' our weapons at home all these hammers are portable (po

rtable)
[?] just leave us alone when we [?] the audibles (the audible)
Before you get caught up in traffic (then what?)
You tried dippin' then they cornered you (cornered you)
Friend switched yeah I'm mourning you (I'm mourning you)
I know the haters increasing (increasing)
But so much evil been in my body I can't wait to release it
Don
