

Sauce Dripping

Don Q

I got sauce dripping, they call it entertaining
We got raw chicken, you want it send a payment
I do all dishes, I send my bitch through training
Br-brand new Porsche whipping, and my pistol stainless
A-and my pistol stainless, a-and my pistol stainless
I do all dishes, I send my bitch through training
Brand new Porsche whipping, and my pistol stainless
A-and my pistol stainless, a-and my pistol stainless

Fuck the world put diamonds on my middle finger
Fuck the D.A. and the jury nigga and the plaintiff
Got no time I cut her off if my bitch complaining
Every line that I would call you know I'm [?] paying
I got sauce dripping, you know I'm whore pimping
I got diamond chains, and they all hitting
This year I'm sending rappers to the mortician
You know I get the package before the store ship it
I might cop a brand new Spyder just to crawl in it
Keep the business over time and I avoid feelings
Having nightmares that the coppers at the door kicking
Got a few more hundred stashed behind the wall chilling

I got sauce dripping, they call it entertaining
We got raw chicken, you want it send a payment
I do all dishes, I send my bitch through training
Br-brand new Porsche whipping, and my pistol stainless
A-and my pistol stainless, a-and my pistol stainless
I do all dishes, I send my bitch through training
Brand new Porsche whipping, and my pistol stainless
A-and my pistol stainless, a-and my pistol stainless

You tryna fuck or not bitch whats the situation
White girl coming off the boat like it was immigration
I got rappers looking scared I see intimidation
I'll have Fresh come air the room I call it ventilation
If she don't look delicious she get left read
I think my Brooklyn bitches got the best head
I like to get between it when them legs spread
I heard them niggas sleeping, fuck it, give 'em death beds
It's survival of the fittest where the goonies at
It's gon' be a fucking murder if we do react
Can't be wit' em if the streets say they got [?] wrap
They think I'm slipping they just fell right in the booby trap

I got sauce dripping, they call it entertaining
We got raw chicken, you want it send a payment
I do all dishes, I send my bitch through training
Br-brand new Porsche whipping, and my pistol stainless
A-and my pistol stainless, a-and my pistol stainless
