

Call Back

Don Toliver

You a top ten
You gotta let me in
We down for life, that's my twin
She been up since 2010

When you gon' call back? Uh-huh
When you gon' call back? Uh
When you gon' call back? Uh-huh
When you gon' call back? Uh
When you gon' call back? Uh-huh
When you gon' call back? Uh
When you gon' call back? Uh-huh
When you gon' call back? Uh

You're sexy, your body, it move outta control (Oh-oh)
I got you on my ringtone, I need me some more
We back, oh, back, so back, I had to show
She came back to back, ay, I'm on the road

Your face on fleek, your body on fleek
I'm lovin' that ass, I'm rubbin' your feet (Woo)
I bought a new truck, a Rubicon Jeep
I paid all cash, the shit's not cheap

I miss the little ho, oh, let's not be
Will I hit it from the back? I guess we'll see
Been drinkin' all day, need two IVs
Got a bad little friend like Black Eyed Peas

I said shake somethin', bust somethin' for a real nigga
Who here up a couple million? And I ain't worried about these bitches
I said shake somethin', bust somethin' for a real nigga
Who here up a couple million? And I ain't worried about these bitches, ah-ah-
ah (Ah-ah)

You a top ten
You gotta let me in
We down for life, that's my twin
She been up since 2010

When you gon' call back? Uh-huh
When you gon' call back? Uh
When you gon' call back? Uh-huh
When you gon' call back? Uh
When you gon' call back? Uh-huh
When you gon' call back? Uh
