

Encouragement

Don Toliver

I guess I never, ever felt like—

Who the hell encouraged them?

I guess you heard him

He got too many cars, oh, he went and worried them

Step back and let it pop, I'm on my Curry now

Why you over there, watchin' and recordin' him?

Niggas real weirdos, hangin' with them other type of bitches, yeah, I
fear those

Only time she cry is on her pill and on her pillow

Yeah, it makes sense

I ain't never, ever seen a bitch pay rent

Probably when some other type of nigga ain't shit

Yeah, you been swingin' for the fence (Ooh)

I never, ever felt like this

I never, ever felt like—

I never, ever felt like this

I guess I never, ever felt like— (Never ever felt like—)

Guess I never, ever felt like this, this

Felt like this (Woo)

I guess I never, ever felt like—

I guess I never, ever felt like this, this, this, this, oh-oh (Wow)

Felt like this

Who the hell encouraged them?

I guess you heard him

He got too many cars, oh, he went and worried them

Step back and let it pop, I'm on my Curry now

Why you over there, watchin' and recordin' him?

Niggas real weirdos, hangin' with them other type of bitches, yeah, I
