

2 Seater

Don Trip

Yeah

Yeah, yeah, yeah, in my two-seater

Yeah, yeah, yeah, in my two-seater

(DTdaKidd), yeah

(Beat those drums), yeah

Pistol on me in my two-seater

I'm about to paint the town red with my diva

Antisocial, I don't fuck with new people

I run with gorillas, I feel like a zookeeper

My lady's expensive, but she worth it, she's a keeper

She got so much class, she could be a schoolteacher

Sorry, I might have to break the bank to do a feature

I'm so fuckin' dope, you gotta shoot me through a needle

Damn, I'm the monkey on your back, you need Addicts Anonymous

You can't kick the habit, damnit, now I feel responsible

I just sent my lady to the mall without a monitor

Her closet so deep, you'd think it's Chronicles of Narnia

Ain't nobody keepin' me from shit, let's get that clear

I keep droppin' back to back to back, I need to chill

Never

'Cause anything they can do, I can do it better and more impressive, yeah

Pistol on me in my two-seater

I go out and paint the town red with my diva

I'm so antisocial, I don't fuck with new people

Me and my gorillas, I feel like a zookeeper

I don't fuck with new niggas, I don't want nothin' to do with 'em

Ain't nobody safe, I don't leave home without my doohickey

Paranoia got me well-aware of my surroundings

I'm missing more screws than the last time I counted

Nah, I don't talk that shit, 'cause I'm 'bout it

We know the weakest link is the loudest

You know I built this shit from the dirt

So I don't care if they give me my flowers

I put my trust in a SIG Sauer

These streets ain't shit like it is on Power

I make good money off this rap, but I'm still plugged in like an internet router

Goddamn, pistol on me in my two-seater

I'm about to paint the town red with my diva

Antisocial, I don't fuck with new people

All these gorillas, I feel like a zookeeper, uh

Long live Pif

I don't fuck with new people

All these gorillas, I feel like a zookeeper

Pistol on me in my two-seater

I'ma paint the whole town red with my diva

I'm so antisocial, I don't fuck with new people

I run with gorillas, I feel like a zookeeper

I said I run with gorillas, I feel like a zookeeper

All these gorillas, I feel like a zookeeper

Me and my gorillas, I feel like a zookeeper

All these gorillas, I feel like a zookeeper, yeah, yeah
Uh, two-seater, yeah
I feel like a zookeeper, yeah, yeah
I don't ride with new people, yeah
I feel like a zookeeper
All these gorillas, I feel like a zookeeper
(DTdaKidd)
(Beat those drums)
