

90's RnB

Don Trip

Girl, I love you like
Girl, I love you like
(DTdaKidd)
(Beat those drums)

Girl, I love you like
Like kids love cake and ice cream
I'm so into you, so hooked on you, I swear it's frightening
Soon as you tell me it's waiting on me, I'm pullin' up on you in lightspeed
I'm so anxious to kick it with you, I'm startin' to feel like a hypebeast
These other girls won't do
'Cause these other girls ain't you
Of course I been in love before, somehow, this feel new
This feel real and true
Shit feels overdue
I thought I knew what love felt like, turns out I had no clue
Want a love like '90s R&B, make a nigga stand in the rain and sing
With two other niggas singin' background in a two-step dance routine
Let's toast to us for seein' it through, let that champagne fill your flute
You took the chance and gave me a chance, so cheers to you

(Want a love like '90s R&B)
('Cause you deserve a love like '90s R&B)
(Darling, I can't get enough of you)
(Darling, I can't get enough of you)

Darling, I can't get enough of you, yeah
Ain't no such thing as having too much of you, damn
Them hoes upset 'cause they can't fuck with you, yeah
You read those vows and now you stuck with me and I'm stuck with you
You can call on me, I'm your bugaboo
Wanna be your Heathcliff Huxtable, tryna put you to sleep while I'm fuckin'
you
Thirst for you, such a perfect view
When you work the room in your birthday suit
Then I go so deep, I'm submersible
Feel lonely when I ain't heard from you
I'll go fetch the moon and every star 'cause you deserve a love like '90s R&
B
