

All In

Don Trip

Here I am
Yeah, here I am
Yeah, here I am
(DTdaKidd)
Yeah, yeah, here I am
(Beat those drums)

Standin' with my back against the wall once again
I made all this money and forgot to make some friends
I can't be afraid to bet it all and take a chance
Here goes nothin', fuck it then, I'm all in
Yeah, I'm all in
Yeah, fuck it then, I'm all in
Standin' with my back against the wall once again
Here goes nothin', fuck it then, I'm all in

If I drop the ball, I pick it up and try again
Don't know how to quit, I must persist until I win
I just caught my breath right now, I'm on my second wind
Yeah, my life a movie, I just don't know how it ends
So I'm added to they rollin' credits
Just make sure you pay me all my money, then we copacetic
I don't fuck with you and we both know it, so ain't no pretendin'
I do all my dirt all by my lonesome, so no co-defendant
Like to take the time to thank my digi-scale
You and vacuum seals went hand in hand to get me here
I been out here grindin' like I slipped a gear
I spent most my dope money on Pampers, wipes, and infant milk
I fuck with lil' shawty 'cause I know she'll never kiss and tell
And she got some class with that mimosa like a dismissal bell
She get anything she want from me 'cause she belong to me
Every night, I kiss her goodnight 'fore I fall asleep
I don't get concerned with the opinions people got of me
All I sell is honesty and that's a rare commodity
I had everything for sale, for all, for cheap like Dollar Tree
The way I bled the block, you'd think I nicked a major artery, damn

Standin' with my back against the wall once again
I made all this money and forgot to make amends
I'm one of a kind, so you know I'm not blendin' in
And I'm far too stubborn, you know I'm not givin' in
Now my back's against the wall once again
I made all this money and forgot to make some friends
I can't be afraid to bet it all and take a chance
Here go nothin', fuck it then, I'm all in
I got too much work to do to call in
Family all around me, although we not all kin
I gotta go get it to ensure we all win
So fuck it, here go nothin', I'm all in
Yeah, I'm all in
I said, fuck it then, I'm all in
Standin' with my back against the wall once again
Here goes nothin', fuck it then, I'm all in

Long live Pif
Wait, wait, wait, wait
Tray 118, bitch

They say gorillas don't eat, we feast
(DTdaKidd)
(Beat those drums)
