Don Trip

(DTdaKidd)

(Beat those drums) Yeah

You got an appointment for doctor trip
Just might with your stockings ripped
My lady get what she want
When she gave me a baby, I gave her a shopping trip
One on one, it's the only way
My schedule booked, so don't be late
I love watching you masturbate
Rub that clit, girl, go DJ
How 'bout I join you and lend you a hand?
How 'bout I step back and get it on film?
Baby, that body's a work of art
You belong somewhere inside a museum
Damn, that's fun, let's do it again
Call my assistant, let's pencil it in
I'll be free every day this week
As long as you book in advance (As long as you book in advance)

Said, I'll be free every day this week
