Like a honest stupid and she catch more ball

And run it. Get money everywhere, kinda

Between me and ya all, in the... Find the jewel  
And that to pet me up and turn me down it's a fool

Flyer than a sky diver about to tell your girl  
Pussy on pilot driver so I hire you drivers  
So no matter how rich I get, still, I'm a rider!

To even if it's to meeting trying to get me,

And it can't get diamonds but I am more interested  
In sharing dreams with diamonds from I'm a ticking
