

Caps Lock

Don Trip

Yeah

Yeah, yeah, it's fuck you in all caps

Fuck you in all

Yeah, fuck you in all caps

I'm through rockin' with you, ain't no turnin' back

We can't patch it up, ain't nothin' there to patch

I got no sense of humor, but I'll get the last laugh

You can't wait for me to crash

Only problem is I'm driven for these dollars

And if it don't feed my babies, then I don't like bein' bothered with

I'm in my zone, leave me alone

My objective is to find a bone and bring it home

Daddy forced me to become a man 'cause he was gone

If it's up, then I want all the smoke like Cheech and Chong

Ain't no missin' what we had, you already poured the gas

It's too late to blow the match, now ain't nothin' left but ash

And it's fuck you in all caps

I'm done rockin' with you, ain't no turnin' back

We can't patch it up, ain't nothin' there to patch

I got no sense of humor, but I'll get the last laugh

Ain't no holdin' on to what we had, that's all in the past

You find out what people really think of you when they get mad

Peep the way they treat you when they think they don't need you

If revenge is truly sweet, I think I got a sweet tooth

Wait, hol' up, let me set the record and express why we can't get along

You see my achievements and feel like you get shitted on

Every time my dogs take a shot, I'm here to cheer 'em on

But you not cut the same, you just gon' bitch until you get the ball

Fuck you in all caps, yeah

I'm not rockin' with you, ain't no turnin' back

We can't patch it up, there ain't nothin' to patch

I got no sense of humor, but I'll get the last laugh

And it's fuck you in all caps, yeah

I'm not rockin' with you, ain't no turnin' back, nah, nah

We can't patch it up, ain't nothin' there to patch

Got no sense of humor, but I'll get the last laugh

Yeah, yeah, fuck you in all caps

Yeah, yeah, fuck you in all caps

Fuck you in all caps

I'm not rockin' with you, ain't no turnin' back

We can't patch it up, ain't nothin' there to patch

I can't patch it up, ain't nothin' left to patch

Yeah, I can't patch it up, I got the last laugh

Got no sense of humor, but I'll get the last laugh

Long live Pif
