

## Her Name

Don Trip

Hoping I can make you mine (Yes, I)  
'Fore another man steals your heart  
And once this beauty is mine (JP Trackz)  
I swear we will never be apart (DTdaKidd)  
(Beat those drums)

You know you got a nigga hooked on that good pussy  
I might need a nicotine patch  
Just when I thought I give you up, I seen that ass and I had a relapse  
Damn, they don't got nothin' on you  
Grade A, there ain't no substitute  
You only been gone like five, ten minutes and I'm losin' it  
I don't know what to do  
Give you up, let you walk  
Hell no, baby, that's crazy talk  
No wonder why we always at odds  
The makeup sex my favorite part  
Ain't no lady that can take your spot  
Baby, you ain't never gotta wonder about it  
Real talk, baby, you know you the shit  
Girl, you ain't gotta be humble about it  
Baby, you crazy tryna fit all that ass in a bathing suit  
You know them titties gon' pop right out of the top and make an amazing view  
All day, I fixate on you  
They would too if they all knew  
First time seeing you with my own eyes  
U-Haul truck, had to make my move  
Somehow I got you to say, "I do"  
Know a nigga never gon' play 'bout you  
Falling in love with you over and over  
And over, and over, it's déjà vu  
No matter what, we don't play by the rules  
No one can treat you the way I do  
Falling in love with you over and over  
And over, and over, it's déjà vu  
Your pussy my only drug  
Careful, I might overdose  
My life been a movie and then you showed up and stole the show  
I go start a river in your panties, I could row a boat  
You show up for date night wearin' nothin' but an overcoat  
Plan to spend my night with you, looks like I'll spend my life with you  
If you is my baby then come ride me like a tricycle  
I'm head over heels for you, no, I am not ashamed  
Before I met you, I bet beauty was your name (Beauty was your name)  
Yeah

Hoping I can make you mine (Yeah)  
'Fore another man steals your heart (Another man steals your heart)  
And once this beauty is mine (JP Trackz)  
I swear we will never be apart (DTdaKidd)  
(Beat those drums)
