

Me Vs. Everybody

Don Trip

(Damn, Tooch)

Yeah

I say you can't please everybody

You can't everybody (Zack Feezy)

Yeah

They think they know what's best for me better than me

But I had a vision this whole time, they just never believed

I know my circle gon' start to shrink if I'm ever in need

Your actions speak much louder than words, so message received

I get it, yeah

Show me where you stand, I'll make sure to never forget it

I kept it real, no matter what, I never pretended

If we ain't good, it's all good, stay at a distance

How you gon' tell me how to move if you ain't never did it?

Get out my motherfuckin' way and stay out your feelings, yeah

Sit on the sidelines where you belong

In 2020, they said I was finished, then I proved 'em wrong

Everyone's an expert that never done shit in life

You need to get your ass up off the internet and get a life

I ain't get no pass in this bitch, I had to wait my turn

Listen up, I'll tell you what I've learned

You can't please everybody

I said you can't please everybody

Ain't no way to please everybody

You ain't gon' never please everybody, yeah

Alright, my stepdaughter lost her real dad when she was two

Eleven years, I been the only dad she really knew

And everything I do for my kids, she get it too

Even though me and her mama ain't see it through

Even though me and her mama ain't even cool

I never turned my back on her baby, I stood true

Even though her mother disrespects me, I ain't walked away

You think they ever mention me on Father's Day?

Can't please everybody

Ah, I said you can't please everybody

Nah, I said you can't please everybody

You will never please everybody

Can't please everybody, yeah

Long live Pif

Yeah

Is what it is

Season 4, yeah

Gorilla, gorilla, gorillas don't eat, we feast

Yeah, yeah

Can't please everybody

You can't please everybody

That's all I have to say, Kevin, we good

(Damn, Tooch)
