

Take My Hand for a While

Don Williams

Take my hand for awhile explain it to me once again
Just for the sake of my broken heart

Look into my eyes and maybe I will understand
our love I counted on was never there
You see I've thought that you might love me

So you caught me it seems off valums with the heart so full
Of love and pretty dreams that two should share

And so I know but please before you go

Take my hand for awhile explain it to me once again
Just for the sake of my broken heart
