

# Tulsa Time

Don Williams

**D B E**

**E**

I left Oklahoma driving in a Pontiac

**B**

Just about to lose my mind

I was going to Arizona maybe on to California

**E**

Were the people all live so fine

My baby said I was crazy

My moma called me lazy

**B**

I was gonna show'em all this time

Cause you know I ain't no fooling

I don't need no more school'in

**E**

I was born to just walk the line

**B**

R: Livin` on Tulsa time, livin` on Tulsa time

Well you know I've been through it

When I set my watch back to it

**E**

Livin` on Tulsa time

Where there I was in Hollywood

Wishing I was doing good

**B**

Talking on telephone line

But they don't need me in the movies

And nobody sings my songs

**E**

Guess I'm just wasting time

Well then I got to thinking

Man I'm really sinking

**B**

And I really had a flash this time

I had no business leaving

And nobody would be grieving

**E**

If I went on back to Tulsa time
