

Hank's Pad

Donald Fagen

You got eyes to bop
Make the scene at Hank's Pad
Rave and rocket
Love that pocket
Gets you where you wanna be

When you're buggin' out
Do the hang at Hank's Pad
Things will happen
One hand clappin'
Gets you where you wanna be

All the kitties dig this way-hip chicken shack
Especially when the boys start burnin' in the back
Smoke stack

If you got the chops
You can jam at Hank's Pad
I was wiggin'
Now I'm giggin'
Gets you where you wanna be
