

Bless Me

Donald Lawrence

Bless me, bless me
Oh Lord, bless me indeed
Enlarge my territory
Oh God, bless me indeed
God, I pray that You would bless me

Increase, increase, I pray for increase
Enlarge my territory
Oh God, bless me indeed
I stand and I pray that You would bless me

Keep Your hand upon me
That no evil cannot harm me
Sunshine and rain
Through sickness and pain
God, I am become to You

Enlarge my territory, God
Enlarge my territory, God
Enlarge my territory, God
Enlarge my territory
Oh Lord, bless me indeed

Stand and I pray that You bless me
Increase, increase
To everybody that believe in God, I pray, increase
Everybody here tonight
I pray, increase, increase
