

# God

Donald Lawrence

Oh Thou who knowest my beginning  
Thou who created the plan  
Who orchestrated my life's journey  
God, You are my God

God of decisions, Creator of answers  
Thou who ordained my way  
Through my transition, held my position  
God, You are my God

I will forever give You praise  
Honor and celebrate Your name  
God of the past, present, and Who is to come  
Oh (God, You are my God)

(I will) forever give You praise  
(Honor and) celebrate Your name  
(God of the) past, present, and Who is to come  
God, You are my God

(I will) forever give You praise  
(Honor and) celebrate Your name  
(God of the) past, present  
And Who is to come  
Who is to come...

Whatever You do with (me) it's alright  
(You have my total trust), You have my trust  
(Glory and) honor, (dominion and) power  
(God, You are my God)

God, oh God  
You are the only wise God

(Oh Thou who knowest my beginning)  
(God, You are my God)

God, You are my God

...
