

# Never Seen the Righteous

Donald Lawrence

Verse:

I was young, and now I'm old,  
seen a lot of situations unfold;  
been a lot of places,  
met all kinds,  
but there's one thing that stays on my mind:  
out of all the things I've done,  
all the places I've gone,  
and the things I've seen.

Chorus:

Said I never, seen the righteous forsaken (3x),  
nor His seed begging bread.

Bridge:

You don't have to worry about a thing,  
if your holy and righteous.

You don't have to worry about a thing,  
If your holy and righteous.

Chorus

Vamp:

I never seen it!
