

We Win

Donald Lawrence

We will fight and we will win
We speak victory to every trial we're in
We are overcomers by the blood of the lamb
No longer defeated, we're winners now

We will fight and we will win
We speak victory to every trial we're in
We are overcomers by the blood of the lamb
No longer defeated, we're winners now

We always win, we always win
No matter what comes our way we'll always win
We always win, we always win
No matter what comes our way we'll always win
We always win, we always win
No matter what comes our way we'll always win
We always win, we always win
No matter what may come my way we'll always win

We will fight
We will win
We will fight
We will win
We will fight
We will win
We will fight
We will win

We will fight
We will win (I'm a victorious)
We will fight
We will win (I'm a victorious)
We will fight
We will win (I'm a victorious)
We will fight
We will win

We will fight
We will win (I'm a conqueror)
We will fight
We will win (I'm a conqueror)
We will fight
We will win (I'm a conqueror)
We will fight
We will win (I'm a conqueror)

We will fight
We will win
We will fight
We will win
We will fight
We will win
We will fight
We will win

We win, we win, we win
We win, we win, we win

We win, we win, we win
We win, we win, we win...

We win, we win, we win
We win, we win, we win...

We win, we win, we win
