

Everything To Me

Donavon Frankenreiter

You and I girl,
Like a sun and moon
lately youve been an orbit in my head like a good summer
tune,
you and i girl,
we're outta sight
love the way you make shadows in the day cause i make em
in the night
you and i girl
were never gonna part
but i didnt have to tell you that cause you knew it right
from the start
lately ive been away from you
ive been so god damn sick i dont know what to do
sitting around and sing my song
let you know i cant i cant i cant
go on
without you
i said i cant go on.... without you
but you know
you and i girl
like a bricks on th
