

Keep It on the Low

Dondria

I'm just the ordinary guy
I like a girl who knows how to treat me right
Switch it up and show me your bad side
Show me you can let go
I know you're a lady that's okay
But show me you can satisfy my needs
Cause every man needs a lady from in the streets
But baby, right now were behind close doors and girl

She don't have to know
I just need one night
I'm tryna get right and girl
When I'm alone with you
I'ma get you right
I'ma get you right

Just gimme your name or your number
I see you steering at me come on over
Keep it on the low, keep it on the low
Cause she ain't giving enough love
Girl, don't say you love me
Cause I don't want things to get ugly
I got a wife I ain't tryna go public
Cause she ain't giving enough
Keep it on the low
Keep it on the low
Keep it on the low
Keep it on the low
Keep it on the low
Keep it on the low
Cause she ain't giving enough love

Right now you know I'm about to get real wild
I know just what you like, I can read your style
And boy its been a while
Since I had someone who makes me feel the way you do
Who can move like you so I have to choose you
And the way my body's calling man
I have to leave you (ah)
I can't fight it and what I'm about to give to you
I know your gonna like it cos boy

She don't have to know
I just need one night
I'm tryna get right and boy
When I'm alone with you
I'ma get you right
I'ma get you right

Just gimme your name or your number
I see you steering at me come on over
Keep it on the low, keep it on the low
Cos she ain't giving enough love
Girl, don't say you love me
Cos I don't want things to get ugly
I got a wife I ain't tryna go public
Cos she ain't giving enough

Keep it on the low
Keep it on the low
Keep it on the low
Keep it on the low
Keep it on the low
Keep it on the low
Cause she ain't giving enough love

I'm just an ordinary guy
I do this every night
I met a new spice and now I'm cheating on my wife
I ain't even 25 I'm only 21
I'm tryna stay loyal in a world full of love (woah)
I met her she was looking like a winner
Went on a date I took her out to get some dinner
Hair tied up her body looking like vanilla
Don't wanna be a man I'm only tryna be your
Tryna be the got you in the Limozinna
Done take her then and now I wanna push it inna
For realla zim zim zim zim zimma
Keep her on the low
Can't let them know about Priscilla
She's my ride or die
My little spice
I keep her on the side
We never make love
Cause we ain't really got the time
Don't bother me she know she cant be ringing off my line
We keep it on the low and everything will be fine

Just gimme your name or your number
I see you steering at me come on over
Keep it on the low, keep it on the low
Cos she ain't giving enough love
Girl, don't say you love me
Cos I don't want things to get ugly
I got a wife I ain't tryna go public
Cos she ain't giving enough
Keep it on the low
Keep it on the low
Keep it on the low
