

Mirror Mirror (Bounce Back)

Dondria

I never needed validation
I ain't gonna try hard
I be cruising in my own lane
I ain't worried bout y'all
Mirror mirror on the wall,
Who's the fliest of them all?
That's me, Dondria

I been getting to the bag
I ain't even tryna brag
Ex still up in my DMs
I just leave him on "read"
Humbly speaking
I'm that bih
That's me, Dondria

Mirror, mirror, broken glass
Hurt feelings, shattered past
Dreams gone, had to get 'em back
Now it's on me, watch me bounce back
Now it's on me, watch me bounce back
Now wait, watch me bounce back
Bounce back, bounce back
Bounce back, watch me bounce back

Always gonna come up with my A-game
Plus I'll never show my cards
They be tryna put me down
But I'll never, ever fall
Mirror mirror on the wall
Who's the fliest of them all
That's me, Dondria

I been getting to the bag
I ain't even tryna brag
Ex still up in my DMs
I just leave him on "read"
Humbly speaking
I'm that bih
That's me, Dondria

Mirror, mirror, broken glass
Hurt feelings, shattered past
Dreams gone, had to get 'em back
Now it's on me, watch me bounce back
Now it's on me, watch me bounce back
Now wait, watch me bounce back
Bounce back, bounce back
Bounce back, watch me bounce back
Watch me bounce back
Watch me bounce back
Watch me bounce back

Tonight I'm bouncing back
We going on and on and on
Tonight I'm bouncing back
Oh, yeah

Mirror, mirror walking glass
Hurt feelings, shattered past
Dreams gone, had to get 'em back
Now it's on me, watch me bounce back
Now it's on me, watch me bounce back
Now wait, watch me bounce back
Bounce back, bounce back
Bounce back, watch me bounce back
