

# Beautiful

Donell Jones

My girl broke down and finally told me that she love me  
It's astounding cause she takes it so seriously  
The girl thought I was into her beauty and not her mind  
But it's everything about her that keeps this brother in line  
So exotic in the face, man this girl's a cutie  
Making move arch from the back 'cause she got that head move  
But the more that were together, her better quality shine  
I've been waiting for this moment to tell her what's on my mind

The beautiful as you are  
It don't mean a thing to me  
It don't mean a thing yeah  
Beautiful as you are  
You are beautiful  
The beautiful that you are  
Your beauty just skin deep  
I want you for your love  
And I want you for your heart  
Just the beautiful that I need  
No one can come between us  
That type of beauty don't go cheap

I'll protect your love, be the man you want me to be  
Never taking you for granted, make sure that you'll see  
That I'll do about anything to make sure that you're satisfied  
Cause a woman that ain't stuck on the looks is just hard to find  
I respect the fact you waited to say you love me  
Cause most the time when people say it they use it loosely  
But I feel the love you have deep for me without even trying  
Take this opportunity to say what's on my mind

As beautiful as you are  
It don't mean a thing to me  
It don't mean a thing to me baby  
Beautiful that you are  
You are beautiful  
As beautiful as you are  
Your beauty just skin deep  
I want you for your heart  
And I want you for your love  
Just the beautiful that I need  
No one can come between us  
That type of beauty don't go cheap  
I want you for your love  
It don't mean a thing yea

Beauty's only skin deep,  
I want so much more  
You, you're beautiful  
As beautiful as you are  
It don't mean a thing to me  
Beautiful as you are  
You are beautiful  
The beautiful as you are  
Your beauty just skin deep  
I want you for your heart  
And I want you for your love

Just the beautiful that I need  
No one can come between us  
That type of beauty don't go cheap  
I want you for your love  
Beautiful as you are  
The beautiful as you are  
Your beauty just skin deep  
I want you for your heart  
And I want you for your love  
Just the beautiful that I need  
No one can come between us  
That type of beauty don't go cheap  
I want yo for your love
