

# I Miss the King

Donell Jones

Ow why were they blind?  
They heart was filled with love  
Tell me why  
Guess I must've found out  
Why you had to change your blood  
You gave so much to the world  
Humanitarian  
Fortunately you live through me  
But somehow I feel  
My heart is connecting with yours

Ow Michael I wish you never ever had to go  
I miss the King (Ow Michael)  
I miss the King (Ow Michael)  
Ow Michael I wish you never ever had to go  
I miss the King (Ow Michael)  
I miss the King (Ow Michael)  
I miss the King  
And I miss the King

Tears in my eyes  
I miss you so damn much  
Because I wouldn't be who I am  
If you didn't share your love  
Think about you all the time  
Forever number 1  
Fortunately you live through me  
But somehow I feel  
My heart is connecting with yours

Ow Michael I wish you never ever had to go  
I miss the King (Ow Michael)  
I miss the King (Ow Michael)  
Ow Michael I wish you never ever had to go  
I miss the King (Ow Michael)  
I miss the King  
Ow Michael I wish you never ever had to go  
I miss the King (Ow Michael)  
I miss the King

We miss you Michael!  
Yeah!  
Pray on that!

Ow Michael I wish you never ever had to go  
Ow Michael I wish you never ever had to go  
Ow Michael I wish you never ever had to go  
Ow Michael I wish you never ever had to go  
Ow Michael I wish you never ever had to go  
I miss the King (Ow Michael)  
Ow Michael I wish you never ever had to go  
I miss the King (Ow Michael)  
I miss the King  
Ow Michael I wish you never ever had to go  
I miss the King (Ow Michael)  
I miss the King  
Ow Michael
