

# Still

Donell Jones

Uh, what  
What's going on  
Yeah, uh, what  
What's going on

Seemed like everything was cool  
Until you came home yesterday (What's going on)  
And girl, you know I ain't nobody's fool  
Yet you insist on treating me this way (What's going on)  
And I can't believe after all that we've been through  
You still think you can hide from me, yeah (What's going on)  
See I know something's wrong with me and you  
This ain't the way true love's suppose to be  
Are you still feeling me

Am I still the one you love  
Why does it seem like something's changed  
With you and me  
Oh how I wish things were the way they used to be  
I need to know if you still believe  
Do you still believe in love

Is this really what you want  
Is there somewhere else you'd rather be (What's going on)  
Oh girl, why can't you just tell me the truth  
Instead of playing all these games with me  
Are you still feeling me (What's going on)

What, uh, what  
What's going on  
Oh, oh, oh

Can we get back to the loving  
Can we get back to the loving  
Yeah, yeah, yeah  
What's going on  
Oh, oh, oh
