```
Get up!
Say you don't mind
Get up!
Look in my eyes
Get up!
You say you don't know why
Get up!
And say goodbye
Get up!
Don't hang around
Get up!
Don't make a sound
Get up!
But don't try to stay
Get up!
Don't you ask me why
Get up!
Don't come around
Get up!
Get like your sound
Get up!
But don't try to stay
Get up!
Don't you ask me why
You won't like the words I'm say
Hmm go semi way
Cuz I don't like Monday's and I
Don't lie too straight, alright
Say that you and I, we might
Give it another try but {\tt I}
Don't like Monday's and I
Don't like blue days, alright
Let's try far away tonight
To a different part of life
Get up!
Don't come around
Get up!
Get like your sound
Get up!
But don't try to stay
Get up!
Don't you ask me why
You won't like the words I'm say
Hmm go semi way
Cuz I don't like Monday's and I
Don't lie too straight, alright
Say that you and I, we might
Give it another try but I
Don't like Monday's and I
Don't like blue days, alright
Let's try far away tonight
To a different part of life
