

It'll Be Alright

Donkeyboy

It's a love affair,
Like a brotherhood
You and I
So you can shout it out
You can tell 'em
It'll be alright
We will be alright

It's a love affair
I'm buying all you are
Every vibe
And when you feel down
I'm your fella
We will be alright
We will be alright

So call your sister and your mother
Say we're leaving town
Go from lost to found
Yeah, go tell it to your brother
We will be alright
We will be alright

From now until forever
Know it's in our hearts
We will be alright
Yeah as long as we go down together
Know it's in our hearts
We will be alright

Ooh Ooh Ooh Ooh
Ooh Ooh Ooh Ooh
Just the way we wanna

Ooh Ooh Ooh Ooh
Ooh Ooh Ooh Ooh
Just the way we wanna

When you're down and out
I will be there to take the fall
And when you feel lost
I will find you
It'll be alright
We will be alright

It's a love affair
We're a brotherhood
You and I
And when you feel down
I'm your fella
We will be alright
We will be alright

So call your sister and your mother
Say we're leaving town
Go from lost to found
Yeah go tell it to your brother

We will be alright
We will be alright

From now until forever
Know it's in our hearts
We will be alright
Yeah as long as we go down together
Know it's in our hearts
We will be alright

Ooh Ooh Ooh Ooh
Ooh Ooh Ooh Ooh
Just the way we wanna

Ooh Ooh Ooh Ooh
Ooh Ooh Ooh Ooh
Just the way we wanna

We will be alright
We will be alright

We will be alright
We will be alright

Ooh Ooh Ooh Ooh
Ooh Ooh Ooh Ooh
Just the way we wanna

Ooh Ooh Ooh Ooh
Ooh Ooh Ooh Ooh
Just the way we wanna
