

## Look Inside

Donkeyboy

Tell me that you mean it  
Tell me why you need it  
Say it's not another lie  
Show me where we're going  
Even if it's no where  
Never leave the heart behind

Look inside  
Say you see it in my eyes  
Look inside  
Say you see it in my eyes

Tell me what you're thinking  
Deeper than the meaning  
Baby there's a silver line  
Show me what you're missing  
Let me fill it all  
Never let the moment die

Look inside  
Say you see it in my eyes  
Look inside  
Say you see it in my eyes

Caught in the middle  
Love is just another step away from you and I  
Maybe we're nowhere tied to one another  
Caught up in a perfect lie

Look inside  
Say you see it in my eyes  
Look inside  
Say you see it in my eyes

Caught in the middle  
Love is just another step away from you and I  
Maybe we're nowhere tied to one another  
Caught up in a perfect lie
