

# Lost

Donkeyboy

If we were lost,  
would it be too much?  
I wonder what heaven could come at that cost  
With so many hours,  
From the day untouched  
Wishing I could be you,  
Oh, I could be you.

I'm free faillin' stuck,  
in hard luck.  
I'm sinking like a rock,  
cause I'm tied up  
Got everything I need,  
but it's never enough  
so get me to a place I can wake up

I wish I could be lost,  
in the bittersweet taste that I want to follow  
I wish that I could be lost,  
in the bittersweet taste of you

I feel like gravity is bringing us down,  
We wish we were flying up above the ground  
Afraid of the future,  
well, it ain't coming soon  
We got nothing to lose,  
got nothing to lose

I'm free faillin' stuck,  
in hard luck.  
I'm sinking like a rock,  
cause i'm tied up  
Got everything I need,  
but it's never enough  
So get me to a place I can wake up

I wish I could be lost,  
in the bittersweet taste that I want to follow  
I wish that I could be lost,  
in the bittersweet taste of you

I wish that I could be lost,  
I'm hanging here on the edge of tomorrow  
I just wanna be lost,  
I wanna be lost with you  
I wanna be lost with you

I wanna be lost with you  
You make it hard for me

I wish I could be lost,  
in the bittersweet taste that I want to follow  
I wish that I could be lost,  
in the bittersweet taste of you

I wish I could be lost,  
I'm hanging here on the edge of tomorrow

I just wanna be lost,  
I wanna be lost with you
