

# Out Of Control

Donkeyboy

I see your dreams get out of control  
I've seen so many things you want to see  
I'm kinda sure that you won't deny  
(Gee, you think it's hotch in the sea?)

I see those jeans gettin' out of control  
I've been so many places you want to see  
I'm kinda sure that you won't deny  
(Gee, you think it's hotch in the sea?)

And when it hits when it fits  
Tell me, are you naughty girl or mine? Oh my  
And when I see what you feel and deny with my mind (my mind)  
And when you know when to choose  
Tell me, are you naughty girl or mine? Oh my  
And I go with the flow  
Watch me, I'm goin' by  
Na-na-na-na-naughty naughty girl but mine

You took the train, now you out of control  
You've been to many places, don't you see?  
I'm kinda sure that you won't deny  
(Gee, you think it's hotch in the sea?)

I see your dreams get out of control  
I've seen so many faces, don't you see?  
I'm kinda sure that you won't deny

And when it hits when it fits  
Tell me, are you naughty girl or mine? Oh my  
And when I see what you feel and deny with my mind (my mind)  
And when you know when to choose  
Tell me, are you naughty girl or mine? Oh my  
And I go with the flow  
Watch me, I'm goin' by  
Na-na-na-na-naughty naughty girl but mine

I see those jeans gettin' out of control  
I've been so many places you want to see  
I'm kinda sure that you won't be shy

And when it hits when it fits  
Tell me, are you naughty girl or mine? Oh my  
And when I see what you feel and deny with my mind (my mind)  
And when you know when to choose  
Tell me, are you naughty girl or mine? Oh my  
And I go with the flow  
Watch me, I'm goin' by  
Na-na-na-na-naughty naughty girl but mine

Na-na-na-na-naughty naughty girl tonight  
Na-na-na-na-naughty naughty girl but mine
