

## Smooth Lover

Donkeyboy

You can never really see it 'til you let it go  
See it 'til you let it go  
You can never really feel it and then let it show  
Feel it and then let it show  
You shoulda let me love you like I wanted to  
Love you like I wanted to  
Love you like I wanted to

I never made a scene when you let me go  
And now you're calling me blowing up my phone  
I never say the part that you think you know  
You really don't know a thing and that's for sure  
So surrender yourself to a higher ground  
And lets get down  
To a higher ground

Smooth lover (4x)

You can never really see it 'til you let it go  
See it 'til you let it go  
You can never really feel it and then let it show  
Feel it and then let it show  
You shoulda let me love you like I wanted to  
Love you like I wanted to  
Love you like I wanted to

I never said a thing when you crossed my mind  
But I'm thinking of you because you're so d\_\_\_ fine  
I'm thinking of things that we used to do  
Trying to find a way to get back to you  
So surrender yourself to a higher ground  
And lets get down  
To a higher ground
