

# Daddy Dumplin'

Donna Fargo

Daddy Dumplin' I love you  
And your still my best buddy  
So I wrote you this Daddy Dumplin' song

I used to tag along behind you  
Hangin' on to the patches  
That momma sewed on your faded overalls

And every step I took behind you  
I was learnin' all about you  
And I'm glad I got to know you from it all

Now I can almost touch your shoulder  
And we're both a little older  
Since mother died I know I ain't been home

But daddy just in case you're thinkin'  
Nobody loves you  
Well I wrote you this Daddy Dumplin' song

Daddy Dumplin' I love you  
And your still my best buddy  
I wouldn't trade you for all the daddies in the world

Daddy Dumplin' I miss you  
And my heart is always with you  
And no matter what you do I'll be your girl

And now I hear you found a lady  
And there's gonna be a wedding  
Well can I come and be your flower girl

'Cause I don't want to miss a chance  
To wish you love and happiness  
As you begin to rebuild your world

Daddy Dumplin' I love you  
And your still my best buddy  
I wouldn't trade you for all the daddies in the world

Daddy Dumplin' I miss you  
And my heart is always with you  
And no matter what you do I'll be your girl

Daddy Dumplin' I love you  
And your still my best buddy  
I wouldn't trade you for all the daddies in the world

Daddy Dumplin' I miss you  
And my heart is always with you  
And no matter what you do I'll be your girl
