

## The Race Is On

Donna Fargo

I feel tears runnin' up from deep inside  
Like my heart's gonna break  
And the stab of loneliness sharp and painful  
That I may never shake  
You might say that I was taking it hard  
Since you gave me the final goodbye  
But don't you wager that I'll hide my sorrow  
I may break right down and cry

Now the race is on and here comes pride up the backstretch  
Heartaches are going to the inside  
My tears are holding back  
They're trying not to fall  
My heart's out of the running  
True love's scratched for another's sake  
The race is on and it looks like heartaches  
And the winner loses all

One day I ventured in love, never once suspecting  
What the final results would be  
How I live in fear waking up each morning  
To find you're gone from me  
To sink in the pain in my heart full of name of the one that I'  
ll never replace  
Somebody new came up to win him  
I came out in second place

Now the race is on and here comes pride up the backstretch  
Heartaches are going to the inside  
My tears are holding back  
They're trying not to fall  
My heart's out of the running  
True love's scratched for another's sake  
The race is on and it looks like heartaches  
And the winner loses all
