

# Roundabout

Donna Lewis

Don't take me round about  
Don't take me round about  
Don't take me on a roundabout way  
Don't take me on a roundabout way

Do we speak of things that matter  
Or just send a love note on its way  
Do we speak of things that matter  
Or let this love go

Don't take me on a roundabout way  
Don't take me on a roundabout  
Don't take me on a roundabout

Don't take me on a roundabout  
Do we speak of things that matter  
Don't take me on a roundabout  
Don't take me on a roundabout way
