Donnie Iris

I wanna tell you about my baby
You now she comes around
She's about five feet four
From her head to the ground
Well she hangs around here
Just about midnight
Make me feel so good oh
She make me feel all right

And her name is G-L-O-R-I-A
G-L-O-R-I-A
(Gloria)

Walkin' down my street
Come up to my house
