

Just Go Tango

Donnie Iris

Some dance to find a friend
Some dance to find themselves
Some dance to remember
Some dance to forget

Tango
Tango

There's a dance for lovers
There's a dance of kings
When you dance you suffer
Baby, would you suffer me?

Cuando el mundo le deprime
Cuando usted esta tan triste

Just go tango

Cuando el amore es ido
Si usted es tan solo

Just go tango

Miami in the moonlight
Hits me right 'tween the eyes
Got you in my soul, babe
You feel me baby
You can't deny
Yes, the dance for lovers
Yes, the dance of kings
'Cause when you dance you suffer

Baby, could you suffer me?

Cuando su almo es negra
Y su corazon es frio

Just go tango

La musica es el amor
La musica es la vida

Just go tango

La musica es el amor
La musica es la vida
