

Parallel Time

Donnie Iris

One night after I went bowling
I passed through a timewarp... mysteriously
And found myself in parallel time... in 2006
At a club called "The Milky Way"

They did the jerk
Did the fruit
Did the twist
Did the tango
They boo-ga-loo
They shoo-be-doo
They fandango

Yeah... working up a sweat
Get up
Jump back baby it's Saturday night
Move it all around
Shake it up baby

To the left to the right
In the middle of the round about
The alligator and the worm
Move it in and out

Rev it up
Now they rev it up (rev it up baby)
Rev up
Rev it up baby
Rev it up baby its Saturday night

Gonna get it up
Get up
Turn it up
We'll get it tonight

Dance the boo-ga-loo
Parallel time
Dancing music
Parallel time (shoo-be-doo)
Dig that beat
Parallel time (do the tango)
Dig that groovin' (groovin' groovin')

Working up a sweat
Get up
Jump back baby it's Saturday night
Move it all around
Shake it up baby

Dance to the music
Parallel time

Parallel time (dig that beat)
Dig that beat
Parallel time
Dig that groovin'
Parallel time
