

# Pretender

Donnie Iris

I know the type always acting cool  
Pretender  
Won't let love make a fool of you  
Pretender, oh, oh

I don't believe that you don't really feel it  
You're feeling something but you don't reveal it  
Pretender, oh, oh, pretender

I know the truth you told me in a kiss  
Don't have to say it cause I read you lips

Pretender  
Pretender  
Oh, oh  
Do you remember  
Oh pretender  
Surrender

Love ain't a game  
It's a war of hearts  
Pretender  
Take the risk or give up your cards  
Pretender, oh, oh

I never knew that you could be so good  
You never let on by the way you look  
Pretender, oh, oh, pretender

I know the truth because your eyes just told me  
I measure up just by the way they hold me

Pretender  
Pretender  
(I see right through you)  
Do you remember  
(I knew you well)  
Oh pretender  
Surrender
