

## With This Ring

Donnie Iris

With this ring  
I take you as my own  
With this yellow band of gold  
Lover, I do  
With these lips  
I promise to be true  
Kiss you, breathe you  
Lover, I do  
With this ring  
I take you as my bride  
Witness my sweet surrender  
Lover, I do  
I love you
