

# All to the Glory of God

Donnie McClurkin

I don't wanna sing about the pain anymore  
Only wanna sing about the One I adore  
And dedicate my life to Him  
And be a sacrifice for Him  
All to the glory of God

I don't wanna sing about the pain anymore  
I only wanna sing about the One I adore  
Dedicate my life to Him  
Be a sacrifice for Him  
All to the glory of God

All to the glory of God  
All to the glory of God  
I live for the glory of God  
All to the glory of God

Oh what a wonderful feeling it is  
To know He is mine and to know I am His  
Tell about His glory  
And His redemption story  
All to bring the glory to God

All to the glory of God  
All to the glory of God  
I live for the glory of God  
All to bring glory to God

All to bring glory to God  
Oh, my God  
(All to bring glory to God)  
It's all to bring glory to God  
Everything I do  
(All to bring glory to God)  
And I live to bring glory to...  
To God, to God, to God  
(I live to bring glory to God)  
In Him I live, and I move  
And I have my being  
(I live to bring glory to God)

I live so that Christ can be seen in me  
(I live so that Christ can be seen in me)  
I live so that Christ can be seen in me  
(I live so that Christ can be seen in me)  
I live so that Christ can be seen in everything I do and I say  
(I live so that Christ can be seen in me)

Oh, my Lord  
It's all to the glory of God  
All to the glory of God  
I live for the glory of God  
All to bring glory to God  
That's why I live  
That's why I live  
(All to bring glory to God)  
And it's all to bring glory to God

All glory to God
