## The Closer I Get To You

## **Donny Hathaway**

The closer I get to you
The more you make me see
Like giving me all you got
Your love has captured me

Over and over again
I try to tell myself that we
Could never be more than friends
And all the while inside
I knew it was real
The way you make me feel

Lying here next to you Time just seems to fly Needing you more and more Let's give love a try

Sweeter than sweeter love grows
And heaven's there for those
Who fool the tricks of time
With the hearts in love you find
True love
In a special way

The closer I get to you The more you make me see By giving me all you got Your love has captured me

Over and over again
I try to tell myself that we
Could never be more than friends
And all the while inside
I knew it was real
The way you make me feel

The closer I get to you
The more you'll make me see
By giving you all I got
Your love has captured me

The closer I get to you
The feeling comes over me (me too)
Pulling closer
Sweet is the gravity!
