We Need You Right Now

Donny Hathaway

There's no one else to turn to
But you, yeah
You're the only answer to the situation
That we've gotten ourself into
So master, won't you please come down
And give us a helping hand
Cause we need you
We need you, right now

There's a lot of people going hungry
Cause they can't nothin to eat
There's a lot of people going naked
They ain't even got shoes to put on they're feet
So master won't you please come down
And give us a helping hand
Cause we need you
Said we need you right now

Right now
Right now lord
Said we need you, right now
I said we need you
We need you, right now

I said man has gotten out of hand
With his evil ways
Can't you see that he,
He isn't strong enough
Just a little bit more each and every day
So master, won't you please come down
And give us a helping hand
Cause we need you
We need you right now

Right now, lord
Hey, right now
Said we need you
We need you, right now
Yeah we need you
Said we need you, right now

Hey right now lord
We need you lord
We need you
Right now
Said we need you, we need you, we need you
Right now

We need you right now, yeah
We need you right now, yes we do
We need you right now
Said we need you right now
I said we need you,
Said we need you
Right now
