

I Will

Donny & Marie Osmond

I don't wanna be the one
To say I'm gonna miss you
But I will
I don't wanna say
I'm gonna cry my eyes out, baby
But I will
I'm not ashamed for you to know
How much I really love you so
'Cause it was such a thrill
Just remember when you're gone
There'll be that someone sad who loves you still
You'll look at someone new
And see me smilin' back at you
I know you will
You will find yourself repeating things we used to do
I know you will
Don't wonder if you wanna come back
Just come runnin' home to me

And let me feel that thrill
'Cause I'm the one who told you
I would love you 'til forever
And I will
I don't wanna be the one
To say I'm gonna miss you
But I will
I will
I don't wanna say
I'm gonna cry my eyes out, baby
But I will
I will
Don't wonder if you wanna come back
Just come running home to me
And let me feel that thrill
'Cause I'm the one who told you
I would love you 'til forever
And I will
'Cause I'm the one who told you
I would love you 'til forever
And I will
