

We Will Find A Way

Donny & Marie Osmond

Sun follows rain
Strength follows pain
Ohhh, we will find a way

There is a plan
Peace follows understanding
Ohhh, we will find a way

And in the long run
All things happen for a reason
Though it hard sometimes believing what that means
There's a long road, we will sail above these waters
There are more than seven wonders too be seen

Here in your smile
My heart can rest awhile
And I know we will find a way

Faith is the key
That brought you here to me
Ohhh, we will find a way

And in the long run
All things happen for a reason
Though it's hard sometimes believing what that means
Theres a long road, we will sail above these waters
There are more than seven wonders too be seen

Sun follows rain
Strength follows pain
Ohh we will find a way

And in the long run
All things happen for a reason
Though it hard sometimes believing what that means

Faith is the key
That brought you here to me
Ohhh we will find
Ohhh we will find
Ohhh we will find
A way
