

Don't Need No Money

Donny Osmond

Don't need your money just wanna be your friend, don't need no money

Don't need your money just wanna be your friend, don't need no money

I know that you got dough
Everyone told me so
Don't mean a thing to me
When trouble's pilling high
Money ain't gonna buy
A friend or sympathy

Don't need your money just wanna be your friend, don't need no money

Don't need your money just wanna be your friend, don't need no money

Once there was a time
I thought it was the end
I know how you feel
So let me be your friend

If you get feeling down
When no one else around
Want you to call on me
Just tell me, I'll be there
My time is yours to share
Best things in life are free.

Once I was in love
We were young and free
Then without a warning
She slipped away from me
I know how it feels
A story without an end
You know that's when you really need more than money a friend

Don't need your money just wanna be your friend, don't need no money

Don't need your money just wanna be your friend, don't need no money

Don't need your money just wanna be your friend, don't need no money

Oh yeah, oh yeah

Don't need your money just wanna be your friend, don't need no money

Don't need your money just wanna be your friend, don't need no money

Oh yeah, oh yeah

Don't need your money just wanna be your friend, don't need no
money

Oh yeah.
